## ARK OF AN / EBEN STUDY OF CLOUD RINGS (SPHERES) OF VARIOUS POLES

1. RINGS ARE CENTERED IN THE RESHEL VAU POLE: SACRED HEART RESONANCE.

2. OUTER RING COINCIDES WITH THE CUP'S RIM AND ITS TEYTH AND DALLET RHOMBIC GATES. 3. SACRED CHORDS BETWEEN OUTER RING POLES FORM THE INNER RING-SPHERES 4. THE RESHEL ORGANIZES THE CLOUD FORMS, THE ARK HOLDS NEUTRA SPACE SO RINGS FROM THE VAU POLE THE RESHEL HALVES CAN BE SEEN TO OPERATE WITHOUT SEPARATION. GRAIL CUP RING FORMED BY 7-POLE OUTER RING CHORDS 5. THE "EBEN" MIRRORING ARK CLOUD IS NOT SHOWN. 7 SOLAR CROSSES... 14 STAFFS OF OSIRIS 28 pairs the dipoles of our universe with it's "anti-matter" universe (not really a good name 14 STAFFS... YUD FLAMES = EYES OF RA ON GRAIL RIM for the opposite, but will do for now). In other words, the 28-pole system communicates with the dipoles of the anti-matter system and harmonizes the dipoles of its matter 28 POLES ON THE GRAIL RING (SACRED CHORD TO 7TH APEX) universe to those in the aniti--matter universe.
