

"AB'MU'OR" (Heart-Mother of Heaven)

NOTE: MUCH OF THIS SYSTEM IS STILL THEORY BASED ON EXTENSIVE EXPERIENCE BY MANY IN LIGHT-GROUP PROCESS.

THIS GRAPHIC IS REPRESENTATIVE OF A COMPLEX STATE OF BEING AND ITS CONSCIOUSNESS, WITH SUPPORTING ENERGETICS. THESE COMBINED, COMPLEMENTARY SYSTEMS APPEAR TO AUGMENT THE ARK DYNAMIC IN THE AREA WHERE THE CHERUBIM (TRANSLATES: SWORDS OF WHITE FIRE) WINGS TOUCH OVER THE ARK, TRANSFERRING CODES FROM THE ORACLE WALLS. (1 KINGS 6:27)

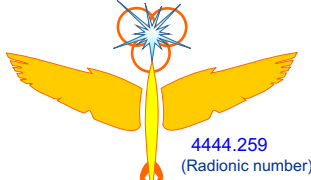

"THIS SYSTEM IS THE UNFOLDMENT OF THE "STAR-BIRD" TO A SPECIFIC STAGE OF ACTIVITY... STAR-BIRD CAN BE SEEN AS A MERKABAH WHICH 'OPENS' TO DISPLAY VARIOUS FORMATS. THE AB'MU'OR IS THE HEAVEN-HEART THAT FREES LIGHT FROM BASER ELEMENTS AND DRAWS POWER FROM THE STARS INTO GREATER DOMAIN PULSES OF CREATION" (ThothHorRa / Maia Mallika)

BASED ON THIS COMMENT THE STAR-BIRD GRID IS INCORPORATED INTO THE AB'MU'OR AS SHOWN BELOW, AND WITH THE ARK'S CLOUD. THERE ARE TWO CLOUDS (ABOVE AND BELOW) EACH WITH ITS AB'MU'OR SYSTEM.

WHEN PHYSICAL HUMANS ARE COMBINED WITH INNER-PLANES MASTERS IN A DIONE COUPLET, THE MASTERS' ESSENTIAL POINTS OVER THE HEADS ARE MERGED AT THIS HIGHER POINT, CREATING THE OUTER ARCH.

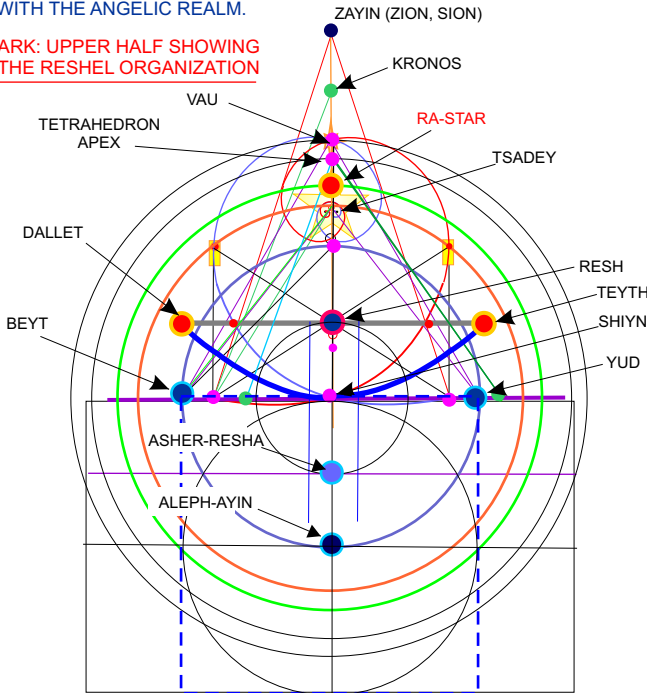

THE HUMAN'S ESSENTIAL CHAKRA'S OVER-POINT MERGE IN THE LOWER POLE TO CREATE THE INNER ARCH.

A SELAH-FIELD SEPARATES THE TWO ARCHES OR "WINGS"; ARKS ARE FORMED BY THE INNER ARCH/WINGS BUT ARE CODED BY THE OUTER.

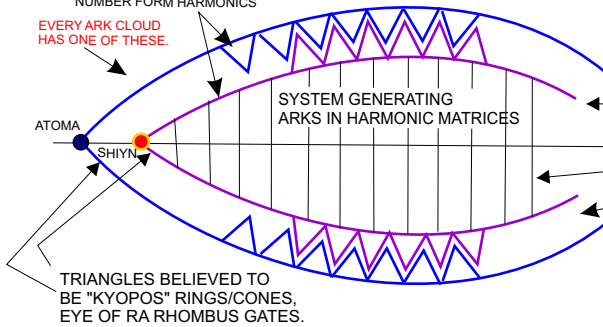

SERAPHIC (ENNEAD) LINK (FIGURE 2, PG 5, KOALA); INTERPRETED TO INCLUDE THE HUMAN "SOLARIAN" LINK WITH THE ANGELIC REALM.

ARK: UPPER HALF SHOWING THE RESHEL ORGANIZATION

BASIC SYSTEM AS IMAGED:

SYSTEMS VARIABLE IN NUMBER FORM HARMONICS
EVERY ARK CLOUD HAS ONE OF THESE.

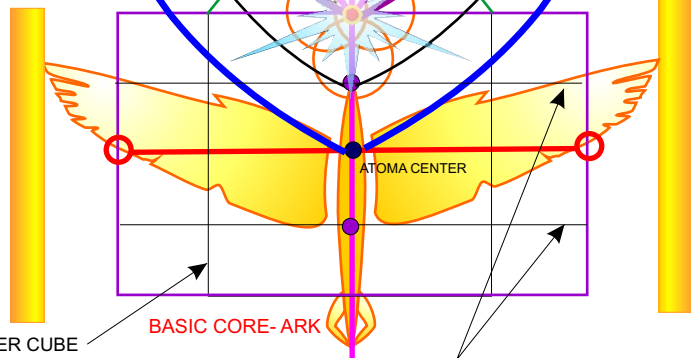

STAR-BIRD BELT "VEE" (WINGS) IS VARIABLE: FITS THE SITUATION. MAIN AXIS CAN ORIENT IN ANY DIRECTION; GRID CAN "CLONE."

THE TWO SYSTEMS ARE COMPLEMENTARY.

THIS INNER AREA GENERATES A MATRIX OF ARKS CENTRAL TO VARIOUS SYSTEMS FORMING A HARMONIC WITH WHATEVER PROGRAM IS BEING CARRIED OUT BY THE PRIMARY ARK SYSTEM. THE "HARMONIC" FEEDS INTO THE "STAR-BIRD BELT" GRID VIA THE TRIUNE POLES ABOVE AS THE COLLECTIVE "T'SHAR DUAT" POLE.

ARK CORE BARS GENERATE WHERE THE STAR-BIRD WINGS INTERACT.

DUAL ARK(S) TWO CODING TELEPLANES IN THE "OUTER" ARK

HONEYCOMB RHOMBIC INTERFACE PROCESSES INFORMATION FROM THE "TIMING" CURVE INTERFACING THE TWO CURVED ARCHES.

THESE TWO ARCHES CAN WIDEN OR CONTRACT AS NEEDED, CAN ALSO INVERT.
