

BEE: MEROVINGIAN: BLAZON HAUTE-VIENNE (GISELLE de RAZES, wife of DAGOBERT II)

BLUE WAVE: THIS IS THE SEA/MAR AS A TELEPLANE BUT WITH WAVES (RESEMBLING WINGS). THE CENTRAL PLANE IS THE HORIZON-OF-THOTH.

BLACK FORMS (I'M NAMING "BEE STINGER" FOR THIS GRAPHIC... APPEARED IN A GROUP PROCESS) ARE THE SELAH SYSTEM GENERATING THE WHITE LIGHT OR "CHORHII" NON-POLARIZED CREATION REALM.

RED BORDER: FEMALE INITIAL COLOR (RED) OF GENERATION. BLOOD AS DNA CARRIER AND NEXT LIFE CONTAINMENT FILED FROM THE BLACK SELAH VIA THE WHITE CHORHII -FIRE.

GEOMETRIC INTERPRETATION:

SENSING AN ARK FORMAT (METATRONIC ARK) I FOUND ONE AND INSTALLED THE RESHEL GRID ON IT, WHICH WORKS. WITH THE WHITE SHIELD POINT MARKING THE DIMENSION OF THE ARK. THE ARK'S INNER CUBE FITS THE BLACK DESIGN PRIMARY POINTS.

WHEN CONSTRUCTING THE ARK THE CENTRAL ATOMA POLE MUST BE FOUND, THERE ARE THREE. THIS DESIGN DOES SHOW THREE. USUALLY THE TWO SEPARATED POLES ARE USED BUT WHEN WE OVERLAY THE PROBABLE BLACK "STINGER" IT BEST FITS BY USING THE CENTER ATOMA.

THE BLACK STINGER MATCHES THE FIRST RESHEL AT THE ZAYIN (ZION) POLE AND CONNECTS INTO THE 1ST RESHEL (ON THE UPPER TELEPLANE LINE WITH A RESHEL SYSTEM ON THE HORIZON OF THOTH. ALSO A PYRAMID IS FORMED AT THE ZAYIN POLE, BY THE 3 BLACK DOTS. (THE DOTS FORM A 51 DEGREE TRIANGLE.)

A "HIVE" IS FORMED, AS A GRAIL CUP, BY EXTENDING THE CURVE FORMED BY USING THE RESH AS THE CENTER OF THE PARABOLIC CURVE.

BLASON HAUTE-VIENNE

BEE "STINGER?" (ERMINE DEVICE IN THE BLAZON) EXACT GEOMETRY NOT KNOWN. THIS WAS TAKEN FROM THE BLAZON USED.
