 LUNAR MONTH, MENSTRUAL REGENERATION, INITIATION STEPS IN THE GRAND GALLERY (29TH IS
 THE GREAT-STEP/RESH, AND 28 SPHERES IN THE ZAYIN'S TORUS.

28 pairs the dipoles of our universe with it's "anti-matter" universe (not really a good name
 for the opposite, but will do for now). In other words, the 28-pole system communicates
 with the dipoles of the anti-matter system and harmonizes the dipoles of its matter
 universe to those in the anti-matter universe. (Thoth/Maia Nartoomid)
